

Privacy policy

Practice Dr. phil. Milena Sotirova Kohli Ltd.

Welcome to the website of our psychology practice¹. The following privacy policy applies to the use of our website and the services offered on it. The present

Privacy Policy informs you about the processing of personal data during your visit to this website.

Your personal data is processed in compliance with the applicable data protection laws and requirements.

Collection of general data and information

Each time our website is accessed, a series of general data and information is collected, including data that has a personal reference. This data and information is stored in stored in the log files of the server. The types and versions of browsers used, the operating system used by the accessing system, the website from which an accessing system accesses our website (so-called referrer), the sub-websites that are accessed via an accessing system on our website, the date and time of an access to the website, an Internet protocol address (IP address), the Internet service provider of the accessing system and other similar data and information that serve to avert danger in the event of attacks on our IT infrastructure may be recorded.

Personal data

Personal data is any information that relates to specific or identifiable persons. Processing includes any handling of personal data, in particular the storage, disclosure, acquisition, collection, deletion, storage, modification, destruction and use.

Nature, purpose and scope of processing

By using this website, you consent to the processing of your personal data in accordance with this Privacy Policy. Only such personal data are processed that are necessary to display the contents of the website correctly, to optimize the contents of the website, to ensure the permanent operability of the IT infrastructure and the technology of the website, as well as in the event of a cyber attack. provide the necessary information to law enforcement authorities.

The personal data will be processed for the duration required for the purpose just mentioned. Personal data whose processing is no longer required will be anonymized or deleted.

Data security and liability

Appropriate and suitable technical and organizational measures are taken to ensure data protection and data security. Despite such measures, violations of data protection may occur when processing personal data on the Internet. Therefore, we cannot guarantee absolute data security and disclaim any liability when using this website (also for linked websites).

¹ A psychology practice is understood to be a psychological enterprise, in the legal form of a sole proprietorship, a stock corporation (AG) or a limited liability company (GmbH). Other legal forms are rarely chosen. In practice, a psychology practice occurs mainly as a psychotherapy practice / neuropsychology practice (sole proprietorship) or as an organization of psychological psychotherapy / organization of neuropsychology (AG, GmbH).

Links of other websites

This website may contain links to websites of other providers. Our psychology practice has no influence on these websites, their content, offers or availability or the data protection declarations and provisions applicable there.

Cookies and other services

Our psychology practice may use cookies on its website. Cookies contain a so-called cookie ID, a unique identifier of the cookie, which web pages and servers can be assigned to a concrete

Internet browser. A specific Internet browser can be recognized and identified via this unique cookie ID.

Such information about the use of this website (including your IP address) may, for example, in the case of Google Analytics, be transmitted to servers abroad and stored there. By using our website, you consent to the transfer of this data.

Our psychology practice may use further service offers from third-party providers (also abroad) in order to integrate their content and services, such as videos or articles, into the website. A corresponding integration always requires that these third party providers have the IP address and other information of the

visitors to this website can collect and process. By using our website, you agree to this.

When involving third parties, we guarantee data protection in accordance with the law.

Buttons ("social media plugins") may be placed on this website that establish contact with the servers of social networks (Facebook, Twitter, Instagram, etc.). By clicking on one of these buttons, you give your consent for necessary data such as IP address, website visit, etc. to be transmitted to the respective operator of the social network.

Communication options

The website of our psychology practice contains certain information that enables a quick electronic contact as well as direct communication, which also includes a general e-mail address. If you contact us via the communication options offered on our website, your contact details and content will only be used to process and respond to your request.

Please note: It cannot be guaranteed that your data will be transmitted confidentially.

Therefore, no confidential data (personal or health concerns, etc.) should be transmitted when making this contact.

Your rights

Based on the Data Protection Act, you have various rights, such as the right to information and the right to correction, deletion or blocking of the personal data processed. To assert your rights, please contact Psychologiepraxis. We are at your disposal for further information in this regard.

Changes

Our psychology practice may revise this privacy policy at any time without notice.

The current version published on our website shall apply. Insofar as the data protection declaration is part of a contract with you, we will inform you of the change by e-mail or other suitable means in the event of an update.
